

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES SB 684
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB684

I OPPOSE [SB 684 A -A6] with extreme prejudice!

*** What is the Total Indebtedness of the Housing and Community Services Department?

[SB 684 A -A6] is an abomination to all Oregonian Taxpayers who must fund this idiotic attempt to provide housing for large numbers of people at taxpayer expense, including Illegal Aliens until Immigration Customs and Enforcement (ICE) gets them.

[SB 684 A -A6] The Oregonian voters and not the leftist Legislative morons should determine whether to permit our taxpayer dollars to codify this piece of Legislative crap into Oregonian Law.

From the TEXT of [SB 684 A -A6], "SECTION 3. the Housing and Community Services Department (1) The Mixed Income Public Development Loan Fund is established in the State Treasury, separate and distinct from the General Fund. Interest earned by the Mixed Income Public Development Loan Fund is credited to the fund.

(2) The fund consists of: (a) Moneys received under section 2 (4) of this 2025 Act; (b) Moneys appropriated, allocated, deposited or transferred to the fund by the Legislative Assembly;

(c) Authorized bond proceeds; and

(d) Moneys from any other source, including from the federal government or local government.

(3) Moneys in the fund are continuously appropriated to the Housing and Community Services Department to implement this section and section 2 of this 2025 Act.

*** The Housing and Community Services Department (HCSD) should be permanently defunded.

***The mere concept of allowing the (HCSD) to create a financial institution providing loans for housing to those who would not qualify without government assistance is unacceptable and irresponsible.

*** [SB 684 A -A6] will create a significant bureaucracy funding Law Firms, Non-profit and or Public Benefit Corporations and others who will be 'loyal voters' to their Legislative Masters.

*** Federal Funds will run dry. Oregon is a seditious 'Sanctuary State' heavily steeped in the racist, 'Diversity, Equity and Inclusion' philosophy.

*** Oregon has incurred horrendous indebtedness.

Mr. Oregon Concur and says, "Taxpayers should decide the fate of [SB 684 A -A6] and the political careers of those Legislators who sponsored [SB 684 A -A6] via our Vote."
