

Submitter:

Shelby Staffenson

On Behalf Of:

Committee:

Senate Committee On Education

Measure, Appointment or Topic:

HB2251

I oppose HB2251. Students today are constantly on their phones, and I agree they can be a distraction to learning. However, I think that the state does not need to dictate such a policy. Let each school district decide what is the best policy for their district. Please vote NO on HB2251.
