Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

This is to notify those legislators present for the public hearing for senate Bill 181, that I, Elisabeth Minthorn, support that bill. Public monies should not be used to fund medically unnecessary lab research on dogs and cats, animals which cannot speak for themselves. It is inhumane in that it can cause pain and unnecessary distress for the animals.

Please support SB 181. Thank you.
