Measure, Appointment SB181
or Topic:

I am speaking on the behalf of all the monkeys, cats and dogs. To end this unnecessary tormit, and suffering that gets afflicted on them every day. I pray in God's name to start caring instead of unsurrending to the silent cries. Hold still in this moment to spare of thoughts how one word, one courage can change an dramatic, horrific, pain in this time. Maybe someday in years to come. You can look back on this moment how you saved 5,000.00 monkey, and spared their lives.
God bless you
