SB243

I Oppose SB243 not only is it a infringement upon our 2nd amendment right, but also a complete waste of Oregonians tax payer money. Oregon politicians need to be held to there oath of office! This state is the laughing stock of the country and the governor and super majority are penalizing real Americans, truly trash running the state and wasting hard working Oregonians money! Maybe politicians should need to protect themselves with the means they want the rest of use to protect our own selves and families with!
