SB243

I strongly oppose SB243. More restrictions on gun owners are not going to solve the problem of criminals getting and using guns. The real problem is the lack of respect for authority and lack of prosecution of individuals who commit crimes. This bill infringes on the rights of citizens to keep and bear arms. We need guns in the hands of the good guys because they often stop or minimize crime. Please uphold our rights and do NOT pass this bill. Vote NO on SB243.
