

Submitter: Becky Kring

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

Support SB 181. No one deserves to be experimented on. It's time to rid ourselves of these archaic beliefs and become fiscally and morally responsible.

Also, why not expand the bill to include closing down OHSU's primate research facility. And treat those still there humanly in the process.

Thank you,
Becky Kring
