Government, and Veterans

Measure, Appointment or Topic: SB181

Animal testing, on any and all species, is excruciatingly painful and unfathomably cruel. Subjecting animals to such atrocious torture and brutalization should be illegal in Oregon and worldwide. We must expand restrictions on animal testing to primates. We must stop testing on monkeys at OHSU.

To form a more just and humane society, we must include all animals, not just the ones we consider pets, in our circle of compassion.
