

Submitter: Isaiah Bartlett

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

The animals that are being tested on at OHSU are living sentient beings who are being tortured in the name of "science." These animals are kept in cages away from their natural habits and families. They deserve to live and to be treated with compassion. Please shut down this facility and stop testing on animals.
