

Submitter: Gina Southern

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I do not want my tax dollars funding cruel and unnecessary tests and experiments on cats and dogs. This needs to end! Further, I support ending the primate center's cruel and unnecessary experiments on primates at Ohsu. None of these animals should be subjected to this unnecessary experimentation; the future of science and medicine does not need to include animal cruelty.
