

Submitter: Darielle Richards

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

To those whom it may concern:

I am completely
and gratefully in support of the bill (amendment SB Bill 181) that stops all dispersal of
public funds that allow for cats and dogs and monkeys to undergo unnecessary
painful and deadly experimentation.
Thank you for your help with ending the totally unexceptable suffering of the animals.
