On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

As an Oregon resident, I ask you to please support SB 181. This will stop the inhumane experiments that cause the most suffering to dogs and cats. It is high time that we take this step in Oregon.

Also, please expand the bill and close down the OHSU primate center entirely as Governor Kotek has recommended. This can be done in a humane way for both people and animals.

Sincerely yours
Georgia Wier
