Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: SB181

Good Morning!

As an Oregon resident, I'm asking you to please support SB 181, which will prohibit state funding for experiments that cause the most suffering on dogs and cats at university laboratories. Additionally, I encourage expanding the bill to close down the OHSU primate facility in a responsible and humane way for all concerned—benefiting both the animals and the workers involved.

I support expanding SB181 to include ending the use of primates in breeding and research.

Thank you! Please do the right thing for dogs, cats, humans, and monkeys!
