SB243

I am writing in opposition to SB 243. I am a retired Chief of Police with 42 years as a law enforcement officer. This bill accomplished NOTHING in the way of advancing public safety. Current laws, both state and federal, regarding firearms are sufficient if the objective is to keep guns out of the hands of those who will misuse them. This bill will only impact, in a negative way, firearms dealers and those who purchase them. Vote no.
