

Submitter:	Monique Bochsler
On Behalf Of:	
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB243

Good morning.

I strongly oppose this bill, as it seeks to criminalize the ownership, purchase, and sale of certain firearm components that were legally acquired. These components are considered private property and should not be subject to such restrictions. Furthermore, this legislation sets a troubling precedent for the regulation of firearm parts beyond just the receiver, which could lead to further encroachments on individual rights. I urge you to reject this bill.

Monique Bochsler
