

Submitter: Kris Alman

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB110

Chair Nathanson and members of the House Revenue Committee,
No, just no! You have already received articulate opposition in testimony why a 30
year income tax abatement for a MLB team to come to Portland would divert precious
general fund resources to a franchise that would feel entitled to an everlasting stream
to pay for upkeep. Make the wealthy owners pay for their stadium!

Kris Alman MD
