SB243

I oppose this bill.

I oppose any and all legislation that is designed to restrict ANY of my constitutional freedoms.

This bill was written specifically to restrict the ability to carry firearms, even as a lawful concealed handgun licensee. Our rights to purchase, own and legally carry a legal firearm are under assault. In other words, it is nothing more than a blatant assault on our fundamental rights. 72 hours will not restrict a criminal from obtaining an illegal firearm.

Written solely to restrict and target the most responsible vetted citizens within our society. we your constituents, have over whelmingly opposed this bill multiple times, yet here again, we must defend against these non-productive, constitutionally and fiscally costly, damaging bills. We must stop this bill and the likes of HB 3075, HB3076, and other bills that are re-written political regurgitation every time we knock them down in opposition.

You MUST listen to your citizens. Overwhelmingly Oregonians do not wish to be restricted constitutionally.

We are paying attention and we are voting. Are you paying attention?

Thank you
