

Submitter: Jacqueline Danos

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

This is important legislation, we should be well beyond using animals in cruel and unnecessary experimentation. I support expanding SB181 to include ending the use of primates in breeding and research. This needs to include all animals not just dogs and cats.

Thank you,

Jacqueline Danos
