

Submitter: Wanda Maddux

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

I feel there are NO live animal tests that should be allowed. Taxpayers should not be forced to pay billions of tax dollars to fund these unnecessary and painful tests, especially when there are alternatives available. The government itself admits the majority of animal testing fail in people. Please cut these wasteful government testing programs and end the inhumane treatment of chimps, dogs, cats, etc. Thank you.
