

Submitter: Erin Stanton

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB243

I am opposed to an additional waiting period on a person who has already applied and been approved a state run background check. The person has been found no reason to delay or deny their right to purchase. This is a needless hurdle to a constitutional protected right. In our history, people have died waiting for a background check to clear despite the state having no reason to delay them because they did not have access to self defense.
