On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

PLEASE help stop medical/laboratory testing of primates, dogs, cats, rabbits. This is inhumane and unnecessary, it is possible to use other means to do the testing, rather than testing on helpless creatures that feel pain and suffer in the hands of humans. Please show mercy and stop this.

Sincerely,
Dr.Maryam Larki
