## OHSI TESTIMONY AGAINST UNNECESSARY USE OF ANIMALS IN MEDICAL RESEARCH

I support the State Of Oregon Bill to close the primate centers and release all primates and cease all animal experiments immediately . This is cruelty that is 100% unnecessary and to choose to torture, harm, mutilate and kill these or any animal needs to stop immediately! To see how these animals are not only used in experiments, they are also used at free will anytime someone has an idea to check to see how they react to sleep deprivation studies, etc. The ideas are obscured, cruel and senseless. AND THE EXPERIMENTERS KNOW IT!!
