

Submitter: Gay Kramer-Dodd

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

I fully support ending the use of live animals for any research anywhere and especially in our fair state of Oregon. This is cruel and unnecessary, a relic of the past centuries. Computer modeling and other advances make this unnecessary. As such, I support expanding SB181 to include ending the use of primates in breeding and research.
