Dear Chair Bowman, Vice-Chair Drazan and Pham, and Representatives, Boshart Davis, Elmer, Kropf, and Valderrama,

I would like to show my support for Senate Concurrent Resolution 12.

It has been my honor to work under former Clerk Robin Church. She was a dedicated and admired Clerk. She was honest and quick to defend the Laws and Constitution in which we follow. She was never afraid of speaking her mind in a professional manor or standing up for what she felt was right.

Clerk Church was eager to share her knowledge with any other Clerk and employee, she was a wonderful Boss and an example to us all.

Clerk Church's dedication did not stop at her job. She is and has always been devoted to her family and friends, a servant to her community and with any organization she has been involved with. Even after retirement Clerk Church continues to work in her County to serve as a dedicated servant of our County.

I would please ask for your support in recognizing Clerk Robin Church with SCR 12, she deserves it.

Thank you for your time and all you do!

Kindly

Lisa Feik  
Union County Clerk,CCC
