David Hill

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB243

This is a horrible bill as all gun control measures are you can not control people's behavior by laws and it makes the majority or oregons law abiding citizens criminals over night, why are we not goin after criminals? No the goal is to punish law abiding tax paying citizens and protect criminals and this is against minorities and low income citizens we are a republic not a monarchy please let us work and pay taxes and not become criminals
