

Submitter: Kristin Santose

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I urge you to support SB181 as I do. Please include protection for primates. These animals should be free of confinement and experimentation. I do not want my tax dollars spent on these experiments. I do not want medications and treatments developed using these methods. Please protect dogs, cats, and primates from this unnecessary suffering. Thank you.
