Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB2528

I strongly oppose HB2528. This bill gives power to unelected bureaucrats at the Oregon Health Authority to raises taxes and ban legal products without a vote of the people or lawmakers. A very bad idea. Additionally, if passed this bill will drive sales of these products out of state or on the black market. I encourage you to not go along with this bill. Vote NO on HB2528.
