Hello, I am an Oregon resident and I support an amendment to Hb181 so that state funding is not spent on inhumane testing on dogs, cats and monkeys. Please close down the primate center and rehabilitate the monkeys. Really, there is way too much suffering in the world, do we really need to add more. These are intelligent animals who sense and feel pain and distress. We can all do better if this inhumanity ceases asap. Thank you, really lets so something worthwhile here.
