Senate Committee On Rules

Measure, Appointment or Topic:

SB243

Dear Senate Committee on Rules,

I oppose this bill and I ask that you do as well. This is infringing on our rights. If you want to stop killings and suicide, then do something about illegal drugs and mental health. Criminals do not care about laws and will not go through the "72 hour wait period". Stop harming law-abiding citizens. I strongly urge you to oppose this bill that will do nothing to stop crime.
