

Submitter: J Finch

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

Unnecessary laboratory research on animals is immoral, and it must end. As we strive to be a better people, and a moral society, we must first look at our actions. How we treat animals says much about ourselves. If we do not respect animal life, we disrespect all life, and we show ourselves to be less than we can be.

Please help end immoral and unnecessary testing on animals. Thank you.
