Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction  
Measure, Appointment or Topic: SB5546

I am writing in support of Lane County Coalition of Recreation, Arts, and Athletics (CoRAA). My husband and I are neighbors and a long-time supporters of the Shelton McMurphey Johnson House and have donated to their Outdoor Classroom and Garden Terrace project. I urge the committee to support CoRAA this legislative session. The SMJ House project is a practical and useful project that will help preserve and promote a rich historic resource, positively contribute to the local economy, and create a facility that will enhance the quality of life here in Lane County.

The groups that comprise CoRAA have raised \$21 million dollars and are requesting \$6.34 million to complete seven important capital projects in both urban and rural areas of Lane County.

Thank you for your consideration of my request.
