

Submitter: Aspen Bernier

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

As an Oregon resident I urge you to shut these facilities down. These cruel experiments on animals is evil and unnecessary. Everyone, animals included, deserves a chance at freedom and the pursuit of happiness of happiness. In these dark days, we need a shining light of hope. Oregon is a progressive state. Let's vote like we are too.
