

Chuck Crockett written testimony for SB243:

I oppose SB243 because it infringes on people's right to keep and bear arms. It adds an unnecessary unconstitutional obstacle to purchasing a firearm while criminals acquire guns with no obstacles. The cartel the state of Oregon is aiding doesn't have to wait to purchase or possess guns. This bill is clearly unconstitutional and not in compliance with Bruen. The government is supposed to protect the 2nd Amendment not attack it. There are already too many gun laws we need to be repeal oppressive laws not making more.
