

Submitter: JOHN WALLER

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: SB181

Dear Chair and Members of the Committee,

I urge you to support Senate Bill 181.

Dogs and cats should not be abused in painful experiments using public money. Most Oregonians would be shocked to know that their tax dollars could fund this kind of cruelty. SB181 is a sensible way to make sure public funds reflect public values, and I am sure there are many other worthwhile ways in which the money saved could be used to benefit the people of Oregon

Please support this responsible and humane legislation.?
