

Submitter: Eileen Sherry
On Behalf Of: SB181
Committee: House Committee On Emergency Management, General
Government, and Veterans
Measure, Appointment or Topic: SB181

Please vote for SB181, and amend it to include monkeys. We all know who dogs and cats are, and why we want to protect them.

I support expanding SB181 and the end of breeding and research on primates. All animals feel pain.

Please expand SB181 to include primates, and put a stop to breeding and research on primates.

Thank you.
