

Submitter: Deena Clark

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I support expanding SB181 to include ending the use of primates in breeding and research. Please put an end to this abuse that is unnecessary. Please stop the needless pain that these gentle creatures are put through. I am a cancer survivor, and I do not want this type of cruelty even if it claims to be done for research. Please put a stop to this now. Thank you
