Must Close Its Primate Experimentation Facility

Dear Gov. Kotek and Oregon Officials,

I am writing to ask that you use your power to ensure that Oregon Health & Science University closes its notorious primate experimentation facility, the Oregon National Primate Research Center.

I support expanding Senate Bill 181 to include ending the use of primates in breeding and research.

Please insist that OHSU close the Oregon National Primate Research Center. Thank you for your work on behalf of the people of Oregon.

I support expanding SB181 to include ending the use of primates in breeding and research.

Sincerely
Jessamyn Way
