

Submitter: Ann Schlossman Campbell

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: HB2900

My name is Ann Schlossman Campbell, and I am a licensed K–12 special education teacher with 10 years of experience in Oregon’s public schools, including work in Gresham-Barlow, Reynolds, and Clackamas ESD.

I am writing in support of HB 2900A.

When I worked in Reynolds, I had completed my probationary period. But when I moved districts, I was forced to start over—placed back on probation despite years of successful service. This experience is discouraging and unnecessary for seasoned educators.

HB 2900A would recognize the experience we bring and remove barriers that push educators out of the profession.

Thank you for your time and your support of this bill.
