

Submitter: Dejanna Alford

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: SB181

I believe on behalf of us AS a living human beings that we should not be using monkeys especially since they are almost just as cognitive as us! I'd say images that aren't going out for the rest of their life's, people I prison for rape etc. would be way more effective way since it's a human and they already have everyone outside of prison not support them and most likely be ok with it
