

Submitter: Charles Rogers

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: HB3932

Please support the HB 3932 to protect beavers in their natural habitat. Beavers are important on the landscape of creeks and rivers and help produce habitat for salmon and other wildlife. This bill will add a measure of survivability to the beaver improvement measures and make Oregon a better place for wildlife.
