

Submitter:

Sue Craig

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB3971

Until we find a way to not,,NOTproduce waste, we need really good solutions to our problem. The proposed site near Eugene would be a good solution. All of Oregon will face this same dilemma in the future, and this bill is a way to help support such sites. Please support this bill as a way to control methane at our refuse sites.

Thank you for all the work you are doing.
