Measure, Appointment or Topic: SB143

I oppose this measure. this is a study which quickly turns into a bill without re-evaluation nor time to do so. No transparency is evident in this measure.

The State Treasurer shall "study" the administration of public funds. The State Treasurer shall "submit a report" on the findings in the manner provided by ORS 192.245 (192.245 - "Form of report to legislature") and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to ways and means no later than September 15, 2026."

Oppose because it is a redundant measure which does not need change unless one plans to shove monies wherever thou wilt, without public input.
