HB3768

House Bill 3768's designation of Nowruz Day

Zoroastrianism religion is practiced by 300 million people in the Balkans, the Black Sea Basin, the Caucasus, Central Asia, the Middle East, and other regions. Animal sacrifice is still practiced by this religion. Do we add holidays because they exist?

Does this represent the interest of Oregon citizens? No. Waste of State

Representatives time and taxpayer monies

The bill raises valid questions about church and state separation and the misuse of emergency clauses.
