

Submitter: Tom Hammer  
On Behalf Of: NFIB  
Committee: Senate Committee On Labor and Business  
Measure, Appointment or Topic: HB2957

The state is losing businesses at a high rate. We won't get them back. Bills like HB2957 A are part of the reason. The reason the revenue forecast dropped drastically just since the first of the year indicates just how much your anti-business laws are hurting Oregon's economy. Stop biting the hand that feeds you.
