Measure, Appointment or Topic: SB952

I am against SB952 which allows the Governor to appoint a US Senator if they resign or retire. We have already given up our rights to chose with vote by mail & NO ID at voting poll. We are tired of the uniparty. Use a special election to replace our senators. One senator doesn't even live in Oregon. We have been saddled with the governor's poor partisan choice for judge positions that take years to be rid of.
