House Committee On Rules

Measure, Appointment or Topic:

HB3971

As a long time resident of the Goshen area this bill would destroy the area and the livability in it. This bill is NOT an emergency as stated in the heading. They lost the land use area appeal as it does not meet the requirements for LI, light industrial. It would also create a traffic nightmare for local residents on Highway 99 north and south between Goshen and Short Mountain Landfill. Please vote NO on this bill and save the integrity and livability in this area/ Thank you for your consideration in this matter.
