

Submitter: Taryn Oakley

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB2081

HB 2081 A is a decent beginning to what will hopefully become a more comprehensive plan in the near future. This bill does not fully address private equity, which represents a large part of the Treasury's holdings, but does indicate the urgent need for the Treasurer to take actions to reduce our financial risks due to climate chaos.
