Measure, Appointment or Topic: HB2957

I oppose HB 2957! Vote NO on HB 2957 A – Protect Oregon Jobs! This bill adds more bureaucratic red tape for businesses at a time when Oregon's economy is already struggling. Employers are closing their doors and leaving the state because of excessive regulations. Instead of making it harder for businesses to operate, lawmakers should reduce unnecessary burdens and focus on policies that support economic growth. Oregon residents are already overtaxed and overwhelmed—it's time to stop the nonsense and keep businesses thriving.
