

Submitter: Steve Fenley

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB952

I strongly oppose SB 952 because I feel the good people of Oregon should be choosing the senators and judges to represent our state through the election process. Anything less would be creating a government that is scewed to one party or the other.

I am tired of seeing the representatives of the Oregon government keep coming up with these lowly tactics to manipulate and rip off the Oregon people.
