Only Oregon voters shall decide who will represent them in U.S. Senate.
Senators shall be chosen through direct election by the people.
People shall entrust their Senators with their seats through direct voting and not through appointments by the Governor.
When running for office, Senators are committed to serve the full term and are elected on this promise. If they are not committed to serve the full term of years to which elected, they deceive the voters and shall not be in the office.
If SB 952 passes, Oregon voters will never see a fair election again.
NO to any appointments, insurance policies and any manipulations of voters' choices! NO on SB 952!
